

# Attention Iowa Job Seekers or those laid off from Iowa Companies!

## Free Basic Computer Classes are Available!

### Introduction to the Personal Computer

This is a six-hour basic computer course designed for those who have never used a computer or for those who just need to brush up on basic computer skills. In this course you will become familiar with everyday computer terminology, get a taste of Windows, Microsoft Word, and Excel through a hands-on learning experience. This class is the perfect place to start if you're brand new to computing!

We have four locations to choose from! Choose the location nearest to you and call to register today!
